

About Gandhi Shikshan Bhavan's Smt. Surajba College of Education

Late Shri Vajubhai Patel and Late Smt. Leelaben Patel and other like-minded thinkers started Gandhi Shikshan Bhavan's Smt. Surajba College of Education, conducted by Indian Council of Basic Education, in the birth centenary year of Mahatma Gandhi in 1969. Its purpose has been to examine, interpret and propagate the ideology and methods of Basic Education in both rural and urban areas. From then onwards, the successors have endeavoured to fulfil the goal of these great visionaries. The institution is truly committed, devoted & dedicated to teacher-education as well as school education. Most of the programmes organized here are based on Gandhian principles and values. They are designed, equipped, interwoven, implemented and integrated keeping in mind the need to bring about behavioral changes in the learner. The Motto of the college is 'TEACHING TO LEARN' AND 'LEARNING TO TEACH.'

Need and Significance of the Theme

Mahatma Gandhi, the embodiment of truth and non-violence is that great thinker of modern times whose thoughts have added a new dimension to all spheres of life. As a freedom fighter, as a philosopher, as a moralist, as a spiritualist and above all as practitioner of truth, the Mahatma is relevant not only for today but for tomorrow as well. At a global level, when violence is being condemned, religious fundamentalism is rebuked; high technology with its high profile is not going to solve the problem of the teeming millions of people of the world. Gandhi is the only hope of survival for the whole of the humanity at large.

In commemoration of the 150th Birth Anniversary of Gandhiji, it is befitting to remember and celebrate Mahatma and his adorable and boundless values and principles that he has given to the humanity. It needs to be cherished and disseminated to the all.

The present seminar is an attempt to motivate students, teachers, and research scholars to take up the detailed study of this theme and get an insight into and to propagate the altruistic values through-
