**Report on Independence Day**

**15<sup>th</sup> August 2020**

**Saturday**

**"Freedom is never dear at any price. It is the breath of life. What would a man not pay for living?" – Mahatma Gandhi**

Gandhi Shikshan Bhavan's Smt. Surajba College of Education organized its 3<sup>rd</sup> online event in the form of Independence Day celebration. This year marked the 74<sup>th</sup> Independence Day of India. The celebration was conducted via Zoom and YouTube live on 15<sup>th</sup> August 2020 at 9am IST. Every year the college celebrates this day as a tribute to all the unsung heroes of India by collaborating with I.J Patel School. In Spite of the current pandemic crisis, our management and principal Dr. Judy Grace Andrews visited the college for flag hoisting. This online celebration was graced by the presence of our eminent guest of honor Cdr Navneet Bali (Retd). The teacher co-ordinators for this programme were Smt. Vaishali Dhaware and Dr. Sunanyana Kadle.

A list of events for the programme was planned during an online zoom meet on 10<sup>th</sup> August 2020 with the teacher coordinators and the student council. Duties were assigned to the students based on the talent each one possessed. In order to refrain from any errors on the final day, two rounds of rehearsal were held on 13<sup>th</sup> August & 14<sup>th</sup> August 2020 respectively under the guidance of Dr. Sunayana

Kadle. Our technical and ICT support for the event were Monika Mane and Anamika Gupta, the students of S.Y.B.Ed.

The host for the day was Nilofer Khan, a student of S.Y.B.Ed who gracefully put this event together. The celebration began with playing the National Anthem followed by the pledge which was lead by Hafsa Ansari our own student. To embrace the feeling of patriotism a video of the song "Vijayi Vishwa Tiranga Pyaara" was played. Our dear principal, Dr. Judy Grace Andrews introduced our institution and its philosophy to our honorary guest. Our very own student, Archana Roy on behalf of our college welcomed and introduced our Chief Guest with pride. Listening to the profile of Cdr Navneet Bali Sir, especially his efforts during the Covid -19 pandemic intrigued within each one of us a sense of responsibility and gratitude towards our Nation.

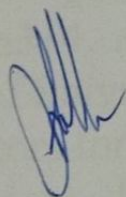

Melba Mendonca, a student of S.Y.B.Ed explained our duties and responsibilities as a citizen of independent India through her paper reading followed by a short video of the first Independence Day celebrated in 1947. Our student, Nazera Khan portrayed the strong and powerful role of Netaji Subhash Chandra Bose through her act. It was indeed a treat to watch her perform. The next performance was a musical treat by Anuprita Sarde (student of S.Y.B.Ed) on the song "Ae mere pyaare watan". To pay tribute and homage to the two eminent women freedom fighters of our nation, Vaishnavi Bapardekar and Laxmi Shukla enacted the role of Rani Laxmibai and Sarojii Naidu respectively. Both the role-plays truly ignited the spirit of women empowerment. We then moved forward to a mesmerizing dance

performance by group 8 students from S.Y.B.Ed (Glarina, Apurva, Priyanka, Farat, Sonali, Meenakshi, Sana & Alisha) on different patriotic songs.

To instill the spirit of peace and ahimsa, Assumpta Fernandes, our very own student led the Peace pledge. Then, it was the time for the most awaited part of the entire celebration to hear out Navneet Bali Sir. It was wonderful to listen to the inspiring and encouraging words of Sir. We were all filled with the sense of responsibility and pride when Sir mentioned teaching as one of the pillars of reform on this planet. Then, our Principal Ma'am shared her feedback and also patted each one of us for making this event a grand success. The formal vote of thanks was proposed by Evita Lima. The end of the event was marked by playing our National song: Vande Mataram. To sum up, it was a great event which worked smoothly only due to the efforts of all the student teachers who put in their heart and soul to make it memorable. It shall always be remembered in the history of our college that in spite of such tough situation, we accepted not only accepted the challenge but also succeeded in it.

**Report on New Horizons New Vision for Minority Rights**

04th January 2021  
Monday

This new year began with an informative and sensitizing webinar on the topic 'New Horizon New Vision for Minority Rights'. It was organized online by Gandhi Shikshan Bhavan's Smt. Surajba College of Education on 04th January 2021 at 10.00 am IST, via Zoom meet. The college organized this webinar in order to sensitize the future teachers about minorities and transgender. The Chief guest for the webinar was Inner Wheel District Chairman<sup>314</sup>, Amala Mehta . The speaker for the day was the founder of Shivshakti Foundation, Vicky Shinde. The programme coordinators for the webinar were Dr. Frances Vaidya, Asst. Prof. G.S.B's Smt. Surajba College of Education and Dr. Yogita Mandole, Asst. Prof. G.S.B's Smt. Surajba College of Education.

On 04th January 2021, the webinar started online with great enthusiasm. The event was hosted by Dr. Frances Vaidya. The webinar began with the Sarvadharama Prarthana to seek the

blessings of the Almighty. The prayer was led by the Student council group which was followed by a mesmerizing song 'Itni shakti hume dena data' shared by Monika Mane, a student of our college.

The prayer was followed by a brief paper reading on 'Minority Rights' by Archana Roy, a student of S.Y.B.Ed. This was followed by a brief welcome address by our I/C Principal Dr. Judy Grace Andrews. Dr. Frances Vaidya then welcomed the chief guest Amala Mehta, the Inner Wheel District Chairman<sup>314</sup> with her kind and inspiring words. The Chief guest shared her joy on being a part of such a sensitizing webinar. She was truly humbled.

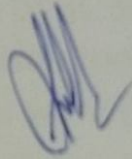

Dr. Frances Vaidya formally welcomed the speaker for the day Vicky Shinde, the founder of Shivshakti Foundation. The speaker's presence was truly felt. The speaker belonged to the transgender community. And therefore it was quite apt to have in our midst during this webinar. The speaker always had a smile on her face while replying to any sort of questions. She believed that she had nothing to give to others, her only treasure was her smile. That is why she believed in spreading smiles. Dr. Pradnya Bhosekar, librarian G.S.B's Smt. Surajba College of Education, asked a few questions to Vicky Shinde about her life so that we could know the speaker and her life well. The speaker very honestly replied to all the questions without hesitating to share her life with us. It was indeed a very heart touching and eye opening experience.

Further to enlighten all the future teachers Vicky Shinde stressed that transgender kids are the ones who are the most lonely. She

expressed that the school curriculum should include the topic on transgender so that the world knows about them at an early stage and not think about them as aliens. The most important thing is that we must never let 'humanity' die. Overall this webinar was the need of the hour.

The efforts of the students and teacher coordinators were encouraged by the appreciative and motivating speech given by our Principal Dr. Judy Grace Andrews. She was highly inspired by the words of our speaker Vicky Shinde and thanked her immensely for being a part of the webinar. The vote of thanks was proposed by Dr. Yogita Mandole, after which everyone rose for the National Anthem marking the end of the webinar.
