Gandhi Shikshan Bhavan's Smt. Surajba College of Education, Juhu, Mumbai, was established in the year 1969 under the aegis of **Indian Council of Basic Education**. A group of teachers, namely Acharya Bhise, Dr. Airon, Shri.Haribhai Trivedi, Miss Sulabha Panandikar, Shri H.B Majumdar, Shri.L.N.Chhapekar, Shri.G.L.Chandavarkar, Shri.K.S.Acharlu, Shri Shesh Namele, Shri Indra Vasavda and Shri Vajubhai Patel Smt.Leelaben Patel were interested in the theory and practice of Basic Education, formed an association in 1964 called Indian Council of Basic Education and got it registered under the Bombay Public Trust Act of 1950. Council membership is open only to believers of the concept of Basic Education and those who are teachers. In 1969 under the Presidentship of Acharya Bhise, on 2<sup>nd</sup> July 1969, in the meeting of Board of Governors, the Honorary Secretary announced the establishment of Indian Council of Basic Education. Shri Vajubhai Patel was named the Director and his wife Smt. Leelaben Patel Co-worker and a small committee of four members namely Shri. Vajubhai Patel, Shri S.K Bhise, Smt, Sulbha Panandikar, Shri L.N Chapekar was assigned the task of preparing a scheme of work of Indian Council of Basic Education. Gandhi Shikshan Bhavan's Smt. Surajba College of Education was inaugurated on 2<sup>nd</sup> October 1969 the birth centenary of Gandhiji to implement the ideas of basic education to the level of teacher education and school education along with research, community development and publications. Gandhi Shikshan Bhavan's Smt. Surajba College of Education is a teacher education institute with a difference. The curriculum for B.Ed. course is designed and transacted in a dynamic manner here. In its 49 glorious years the institution has been appreciated for the philosophy that is based on Gandhiji and Tagore which is inter woven through the curriculum to bring about the desired change in the student-teachers. The main task of teacher education institutions is to equip the student teacher with knowledge, skills, methods and realities of life to progress in the society. **Experiential Learning** which is the key approach in **Nai Talim (Basic Education)** is practiced from its inception. Hard work, honesty, cooperation, self-help, respect for all religions, art of living together and tolerance which are fostered by this institution has brought tremendous change in the personal and public life of students and professionals. The institution has been instrumental in introducing Community engagement, Socially Useful Productive Work and Rural Education to the B.Ed curriculum of Mumbai University.
